

m 1 033  
The Bear Attacks!  
As you're preparing for your war with Russia,  
to settle which of you will rule this  
world, your intelligence services report that Russia has  
started an arms buildup along its European Borders.

c 1 034  
Backroom meeting  
You meet up with those who have the  
highest stake in the success of the US  
and try to decide what to do with  
this military buildup when you're still not ready.

p 2 035  
Is all fine, No need to panic!  
You try to convince the room that this  
is all fine, and that you have things  
under control.

m 2 036  
Stiff Audience  
Some of the more noconfrontational personalities agree but  
an old mainframe in the back makes allegations  
of incompetence, or worse, COLLUSION.

p 2 040  
We must declare war... Yesterday!  
You try to convince the gathering that the  
best course of action is to just start  
this battle more awaited than cleganebowl.

p 3 037  
Drratted Computers  
Defend yourself from this talking monitor which for  
some reason has more brains than the rest  
of the gathering combined.

f 3 038  
The wisdom of crowds  
You stumble through your explanation but when the  
Mainframe tries to press his advantage, the others  
shout over him, calling him a worrywart and  
telling you to just get this sorted.

m 3 039  
Caught Unawares \*wink\*  
Russia attacks in the night, the intelligence service  
has been unable to locate the damage, but  
you have a vague feeling of no longer  
being watched by AI overlords.

c 2 041  
Point of Attack  
You resolve to meet Russia Head-on, choose where  
to attack.

m 2 042  
Cyber War!  
You decide to attack Russian Digital infrastructure, aiming  
for electrical blackouts, failure of military equipment and  
obtaining national security secrets to cripple the enemy  
before they can attack.

m 2 044  
Winter War!  
You have decide that the fire in your  
hearts can [Insert a reference here] brave the  
russian cold and ask for Nato Support for  
the same.

p 3 045  
Our Glorious Allies!  
Convince Nato of your war being just!

m 3 047  
No Comment  
You must trudge on.. show the cowards you  
have for allies the truth in your heart  
[Replace with reference].

p 4 048  
War is On!  
You must push forward with your forces.[change this]

c 4 049  
Wake up, sleepyhead  
Your right ear rings and a voice speaks  
@\$\$x#\$\$#@%%#@\$\$. Your memory of your training as a  
Russian spy returns to you.....

p 5 050  
Set it and Forget it  
You do not even turn to look as  
the White House, the symbol of the Presidency,  
the United States government, and the American people,  
explodes in flames as you board your ex-Presidential  
Jet to Moscow.[problem text]

m 4 051  
Down with the Russians  
You choose to return to Moscow your own  
way, guns blazing and bombs dropping.

p 6 057  
Most powerful man for sale  
You try to sell your importance to the  
russian govt, with your handwritten notes on your  
victory plan against the United States that no  
sane human can decode.

e 6 058  
Pariah  
Your plans are rejected and you are sent  
of to a farm in rural Russia, you  
live peacefully on a farm in siberia, until  
a day a polar bear bit your  
head off, you died nameless, but the reptiles  
never conquered your grave.

c 6 059  
Return of the Trump  
With your military and tactical genius, and the  
notes you copied off the government think tank  
you tasked with devising the easiest way for  
russia to destroy the US, America collapses within  
a day, your popularity is at its peak.

p 7 061  
Expendable  
Your work finished, the kremlin sends assassins after  
you, defend yourself.

m 6 060  
I am the senate!  
You declare yourself emperor of Russia, the troops  
will follow you, as you prepare to head  
back to moscow, the news reaches you, the  
Kremlin is done for..

c 5 054  
The Bear is dead..  
You have destroyed Russia, despite their bravado and  
showboating, moscow's actual war-readiness left much to be  
desired. What now?

e 7 062  
A Broken Knife  
Alas, the russians used you, you died even  
before the reptilian revolution, leaving the earth bereft  
of it's last hope, it's last hero.

m 7 063  
The Trump Awakens  
You slay all the assassins with the Krav  
Maga Netanhayu taught you, a soldier rushes in  
with the news that you are the last  
hope of Russia, the Kremlin blew up this  
morning...

m 5 055  
Long live the Bear and the Eagle!  
You decide to conjoin the Bear of the  
North and the Eagle of Oil, under your  
guidance.. as the senate is about to protest...

m 5 056  
The birth of Nations  
You declare plans for the division of Russia  
into sovereign nations, to be overseen by a  
new body under the UN.. your broadcast is  
halted to report that...

m 6 064  
A Phantom Pooh  
The Chinese have attacked, explosions in US and  
Russian military Bases across the world aree accompanied  
by a video of Chinese President Xi Jinping's  
declaration of war on the old superpowers due  
to their constant interference in other countries' internal  
matters.

c 6 065  
Empire Strikes Back!  
Choose the path that shall end China.

p 7 066  
Solo, a Trump story  
No one else can be trusted, you must  
accomplish this on your own, infiltrate china.

p 7 076  
The \*\*\*\* Wars  
You will fight fire with fire, armies with  
armies, you will not balk, and at the  
end of this, you'll be the victor!

c 7 067  
A sinister plot  
Walking through rural china, you pass empty towns  
and armies of dazed peasants led by snakelike  
men in People's Liberation Army uniforms, you hear  
mentions of the Forbidden City.

c 7 077  
Black Wings  
You receive intel of your armies being destroyed  
by fiendish armies which feel no pain, there  
is now only one option, will you make  
the choice??

p 8 068  
Trump Power!  
You engage a battalion in combat, fight!

p 8 078  
Investigate  
You send your elite spies to find out  
the cause for your losses.

m 8 069  
One Man Army!  
With your almost divine martial prowess you manage  
to defeat them and find out that the  
inhuman chinese leadership has brainwashed the masses, this  
is a reptilian play for world domination.

e 8 070  
Luck  
Your luck could only last so long, you  
die as the horde tears into your flesh.

m 8 079  
You receive reports of rituals to strange gods  
and sermon which brainwash the masses into brainless  
husks ready for war, there is only one  
option.

p 8 071  
The Forbidden City  
You infiltrate the forbidden city and see dead  
people and reptilian soldiers everywhere, fight your way  
into the inner sanctum.

p 8 080  
The Nuclear Option  
The reptilians have invaded this far, you must  
use the last option, give up your life,  
blow up russia and all of asia, for  
the future of the Earth!

m 8 072  
El fin  
You enter the inner sanctum to see Xi  
Jinping shedding his humanoid skin, and then his  
Ursine skin, to reveal a half-lizard abomination, he  
smiles and says, Ahh, Donald, I knew you  
would Come!

e 8 081  
Sacrifice  
You scarifice your life, russia.. and  
asia.. and  
are sung of till the end of humanity  
in the next reptilian revolution.

e 8 082  
Moron  
You came this far and still failed.

p 9 073  
Duel Of the Fates  
Cut of the head and the snakes collapses,  
kill Xi to save the world!

e 9 074  
Highlander  
In a battle for the ages, you decapitate  
his head, and his smile turns into a  
frown as he dies. You've won, earth is  
saved, rejoice, Hero!

e 9 075  
Hail Hydra  
As you cut off Xi's head with your  
greatsword, two more pop up and spew fire  
at you, your outer skin burns off as  
Xi decapitates you with your own sword, the  
reptilian revolution succds, earth devolves into a wasteland.
